

How to apply for the Local 2366 scholarship

Every spring and fall semester, the Local 2366 Scholarship Committee will award a scholarship to a dues-paying member or the spouse or child of a dues-paying member of Local 2366. The scholarship is available for students pursuing undergraduate studies within a two or four-year academic institution or education at a vocational/trade school. There is a single \$1,000 scholarship available per semester. The funds will be disbursed in a single lump sum check payable to any accredited two or four-year college or university or a vocational/trade school in the United States.

Scholarship applications can be obtained during the student's senior year in high school, or after the student has enrolled in an approved academic institution. Students may access our scholarship forms online at <http://www.nbpc2366.org/scholarship>.

Candidates are required to fill out and submit their applications electronically or print, scan, and email them to scholarship@nbpc2366.org. You may scan and include any supporting documents as well.
